

WHAT YOUR *cake* SAYS ABOUT YOU

AT A WEDDING, EVERYTHING IS PERSONAL—EVEN DESSERT! HERE, WE READ INTO A FEW OF OUR FAVORITE CONFECTIONS.

“We spent a small fortune on ballroom-dancing lessons.”

Tailored fondant ribbon, classic sugar roses, a monogram—this cake belongs at a reception so timeless, you won't find a single cringe-worthy detail when you look at the photos in 20 years.

“Our after-party? S'mores by the campfire and skinny-dipping in the lake!”

You chose sugar birch-bark ruffles to complement your venue's rustic-chic decor. After the cutting, guests will gather round for a sweet slow dance to a Bright Eyes ballad played on the banjo by a bearded Ryan Gosling lookalike.

\$15 per slice (serves 80),

“You'll find us in the photo booth—vamping for the camera, tipsy on gin fizzes.”

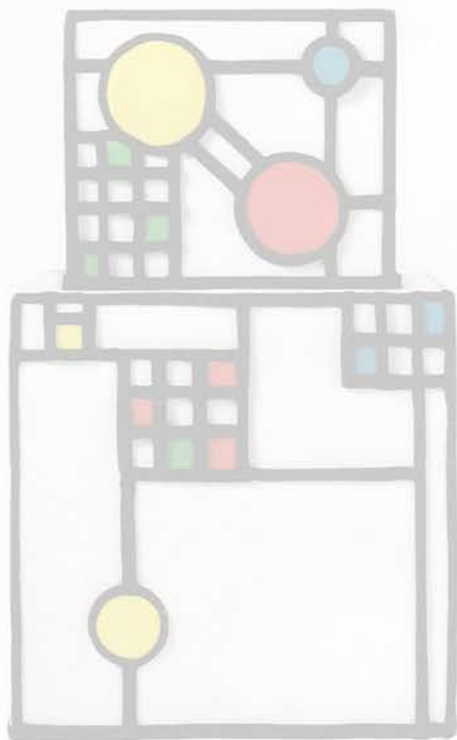

Bright blooms and mod stripes fit right in at your retro-fab party. At the end of the night, you'll change into a flirty minidress and black-and-white Chanel ankle boots, then make your exit in a red Mini Cooper with racing stripes.

\$12 per slice (serves 80), Wild Orchid Baking Co.;

“We fell in love in art school.”

Your party is minimalist, crisp, and planned to a T. Cocktail banter is as witty as the drinks are stiff, and there's an unofficial prize for the guest who can name whose artwork your dessert is referencing.

\$10 per slice (serves 82), Wild Orchid Baking Co.; wildorchidbaking.com.

“We’re post-postmodern (and we know what that means).”

Asymmetrical gown? Check. Gallery reception with conceptual ice sculptures? Check. White-on-white table decor? You get the idea.

\$20 per slice (serves 250), Heather Barranco Dreamcakes; heatherbarranco.com.

“We’re having an outdoor wedding—in an air-conditioned, chandeliered tent.”

This cherry-blossom-covered cake is as girly—and detail oriented—as you are. (Those sugar petals took 24 hours to sculpt!) Now if only you could also control the weather.

\$16 per slice (serves 80), Heather Barranco Dreamcakes; heatherbarranco.com.

“The Kardashians have nothing on us.”

Glamour rules at your ballroom affair, with its champagne tower and mirrored dance floor. This gold-dusted cake with gilded leaves and royal icing is the grand finale before your groom whisks you away in a Rolls.

Price upon request (serves 115), A White Cake by Lauren Bohl White; awhitecake.com.
