Sundance is a great time to hit the slopes in Park City, Utah.

Winter

Sundance Style

DECORATE YOUR DAY WITH MOUNTAIN-CHIC DETAILS

STILL-LIFE PHOTOGRAPHS BY YASU + JUNKO

Every January, the stars descend on Park City, Utah, for the Sundance Film Festival. Their mission: to celebrate independent film while rocking their most fabulous cozy-weather fashions. The Hollywood-in-the-mountains look is also perfect for a winter wedding: Think Wild West stationery, fir-tree favors, and an easy-glam gown with tons of sparkle (very Kate Hudson). Planning a photo op on the slopes? Don't leave home without some badass snow boots.
